INDIGNATION MEETING.

How Gen. Harding's Remarks were Received by Foreigners in Nashville.

We gave a short extract from General Harding's speech before the Davidson County Farmers' Club, recently, for which our neighbors of the *Whig and Register* went for us savagely. It seems that the foreign-born citizens of Nashville regarded the sentiments expressed by Gen. Harding in the same light that we did. They held an indignation meeting on Friday night. The following is an extract from the preamble, and resolutions adopted:

"We denounce as utterly demoralizing, and in antagonism with the spirit of the age, and of our institutions, the reasons given by the honorable gentleman for his preference in the choice of his laborers. We regret, aye, we pity, those who, like Gen. Harding, believe that the laborer, the honest man who earns his livelihood in the sweat of his brow, has no right to no claim on education. We condemn the doctrine which would, from political reasons, employ only those as laborers not independent enough to vote their own sense in elections. We declare it as a perversion of facts that the 'scum and lowest classes of Europe are populating this country' that 'the immigrants leave Europe for Europe's benefit'; that the influx of immigrants would have a tendency to degenerate the people of the State; would contaminate the natives so that they would become 'pernicious and skinned' set. We utterly deny that 'the great West has been taken up and occupied by the scum of Europe'; but we declare that that same great West is a disproof of the statement; that the rich and blooming fields, the flourishing cities, the thousands of miles of railroads, the institutions of learning of the great West, which was settled by foreigners, who since have acquired full American citizenship, are proofs in themselves of the want of understanding on the part of the gentleman."

Resolved, That we express our thanks to General Harding for the manliness, the moral courage, with which he uttered the sentiments of his many friends and associates, personal and political.

Resolved, That we call upon the city press to deal out to those who are not blessed with the multitude of this world's goods, as is the happily situated minority to which General Harding belongs.

Resolved, That while we do not wish to array class against class, labor against capital, foreigner against native, we must insist that the paramount interest is that of the laboring people of the country.

Resolved, That we are thankful to our many fellow-citizens born on the soil of our common country who support us in our endeavors to rebuke the utterances of selfishness and bigotry.

Resolved, That we stand pledged in future to co-operate in all movements to check down all prejudice which prescribes the foreign-born citizen; and we invite our friends of American nativity to join with us in this co-operation.

Resolved, That we will do all in our power to encourage immigration to this country and State, and to protect and foster the immigrant after his arrival; to open up and check down all legislation in every quarter that discourages such movements.

## The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

### VINEGAR BITTERS!

Hundreds of Thousands

Bear Testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

They are not a Vile

### FANCY DRINK

Made of Pure Rum, Whisky, Proof Spirits, and Refined Liqueurs, colored, spiced and sweetened to please the taste, called "Tonic," "Appetizer," "Restorative," etc., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and Life Giving Principle, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.

\$100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons, or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such diseases are caused by Vicious Blood, which is generally produced by drinking, meat of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system. In Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Cough, Tightness of Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Convulsions, Dropsy, or Urine, Pain in the region of the Kidneys, and a hundred other painful symptoms which are the offspring of Dyspepsia, are cured by these Bitters.

Remove the Vicious Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and you will feel well, and when it is kept in the blood pure, and the health of the system will follow.

For full directions, read carefully the circular around every bottle, printed in four languages—English, German, French and Spanish.
